

Domaine Saint Antonin
2010 Les Jardins

87 Pts

FAUGERES

34% Grenache, 33% Carignan, & 33% Syrah

Saint Antonin's 2010 Faugeres Les Jardins - Tart blackberry and elderberry with a dusty, humus-like overtone and a saliva-inducing salinity inhabit a bright, quite firm palate that will probably soften once this puts some distance between itself and its bottling. There is a generous juiciness to the finish here even if not much sweetness. Plan to enjoy this over the next several years.
