

Manoir de la Tete Rouge 2009 Tete d'Ange

87 Pts

100% CHENIN BLANC - LOIRE

The 2009 Saumur Tete d'Ange - from very young vines organically-farmed by Guillaume Reynouard - smells of apple and quince with a faintly dank, reductive salinity. Juicy but soft to the touch and with bitterness of citrus rind and pip well woven into its apple and quince matrix, it finishes with a touch of fruit skin tartness and wet stone.
